MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Attendance for January is very very good, and a great deal of interest is being shown. The annual congregational meeting was set for Sunday night, Jan. 26, with a church dinner to precede it. We had approximately 110 present for the dinner: members, friends, and children. About 80 stayed for the Congregational meeting, and the Corporation meeting. Reports were mimeographed, and business kept brief. Following this we had a popular meeting, with about 8 of the members of the congregation asked to show 2 x 2 transparencies of places they had visited. There was a very fine spirit shown, and genuine interest in the work of the church.

Rev. Brian Cleworth visited the field the last week in Jan. His arrival came the night we had our installation of the new P.W.O. officers. The change from the Missionary Society, and the Ladies' Aid Society, into a combined P.W.O. (with a Missionary Circle, and a Carrie Circle) has worked out quite well, and all indications point toward a much more effective church-centered program.

Mr. Cleworth and I met informally with about a half-dozen of the men to talk over, and sow seeds of interest, in the Presbyterian Men's Organization. To date this still shows polite interest, but no real enthusiasm to go ahead. This will come when we can send some representative to the men's rally, or a district meeting.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Highlight for February is the intense interest shown by the Juniors for the Junior Choir. Total enrolment is approximately 30; and attendance each Thurs. afternoon for rehearsal is from 25 - 30. Mrs. Sharnbroich, assisted by Mrs. Schwab, take a great deal of pains to make it both interesting and attractive. Attendance Sunday morning is always better when the Junior Choir sings.

The trustees met the first Sun. of Feb. to talk over plans to get some of the church work done. Plans afe under way to raise a special fund for building needs----to match that already provided by the Board of National Missions. We plan to finish the painting, and insulate the church, before attempting several other needed jobs.

The trustees also decided to clean up the "jungle" back of the church. It is unsightly; a fire hazard; and also holds so much moisture that it affects the proper drying out of the church. Two work parties were held; with about 4 chain saws. All of the brush is scheduled for removal; about 2/3 of the unwanted poor quality trees; and the eventual plan will probably to fix it for use as a picnic grounds. There were over 20 men turned out the first afternoon and worked hard, making quite a dent in the job. The second work party showed almost equal enthusiasm. About one more time (already planned) will finish a much needed job. Everyone is thrilled the way the men have responded.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I am sorry to be nearly a month late with my March Statistics; but with a lot of extra details connected with our Easter services, and financial and boat scheduling for the meeting of Presbytery, I had to give these other items priority, and after my return complete minutes and financial records while fresh in mind.

The period prior to Easter is always a busy one in the parish, and here in Wrangell represents one of the busiest seasons of the work of the church. The Lenten devotional period was well worth while, although perhaps not as well attended as last year.

Our monthly Fellowship Dinner again was very helpful. We have about 22 or 23 civic and fraternal organizations in town, and too often our people attend these and forget that a Christian community also needs to get together for fellowship. We used the film: "God of the Atom" which was very inspiring as well as educational.

Funeral service was for Elmer Bakke---a fisherman who had lived in the community for 25 years and highly respected.

The S.J.J.C. Choir made its always highly inspiring visit, and the service was attended by many who do not usually attend church, but who in former years wererelated to Sheldon Jackson School. We made special arrangements for them to travel to Wrangell Institute where they put on a concert for all the Protestant children of the Institute.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Our series of Lenten Devotionals was closed on Maundy Thursday with the observance of Holy Communion. On Good Friday we had a 3 hour traditional service, using 7-25 min. services on "The Seven Words of the Cross. This was a Union Service, held in our Presbyterian Church, with 4 churches participating. Attendance for individual services ranged from 25 to 50; with over 175 total attendance.

Our Easter services were held at 9:30 and 11:00 AM with identical services, except for the Baptismal service and receptions. We arranged for a bus to bring in the children from Wrangell Institute, and were happy to have them join with us as this was probably the high point in religious services for the year for them.

Our Junior Choir has taken quite an interest in helping with the church re-modeling (i.e. insulation) project; and were thrilled to put on a 1½ hour musical play "The Minister's Aunt" for which admission was charged. The minister and his wife, and the choir director had to spend a lot of extra time before and following Easter in rehearsals to make this a success. We had at least 150 present the night it was given. Then the cast was asked to repeat the performance out at Wrangell Institute for the 250 children there. They enjoyed this a great deal; and were invited to the dormitories where each choir member had an assigned "guide" and then went over to the dining hall for dinner. This has taken a lot of time, but we feel the results in increased SS attendance has warranted it.

I have taught school several days at the High School during the March-April period. Because of the continuing unrest there, and the teacher-superintendent-student situation still very tense, I have felt that this has been well worth the extra time it has taken, not just to be helpful, but because ~~if x~~ of the opportunities for counselling many of those involved, and the impact of the Church on the problem. I am retaining a part of the extra income to take care of income taxes involved, and at Dr. Jackman's suggestion while at Presbytery, am putting the balance in the church building fund so we can get some needed supplies with it.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Interest and enthusiasm for the work have been good, with people attending regularly. One anticipates that there will be quite a sudden dispersal thru the summer months, with many of our professional people going stateside thru the summer, and many of the local people working long hours with the coming of the fishing season.

The school situation has not improved, since the "split" in the teachers, those who demanded the Superintendent's resignation. The school board sought to minimize most incidents until the close of school, but underneath it all is quite a current of unrest. I have done a lot of counselling of both teachers, and students, and school board members.

Five of the teachers will not be rehired by the school board, and the Board has hired a new Superintendent from Idaho, who comes highly recommended. Aside from the cynicism developed thru the year, it looks now as if the situation will be resolved.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During the first week of June I went up to Rainbow Glacier Camp where I helped with summer conference for the week. I was away one Sunday, but arrangemens were made that one of the elders, Dick Sharnbroich, took the worship service. We did not send delegates to the conference---preferring to wait and send them to the camp in August.

Plans were made for Vacation Bible School (which started June 30, but are reported on the July report).

We were happy to have the Nat'l Missions Seminar visit Wrangell the last week of the month. We do wish that it would be possible for the group to spend a longer period: the first look is such a quick one, that a visitor gets only a certain amount that he can absorb.

During the summer we had many visitors from the various Canadian boats: many Presbyterian----as well as other churches represented. Canadian publicity somehow lists a Methodist church in Wrangell, and we find many tourists who insist that there is a Methodist church here somewhere, and want us to help them find it!!!! Each summer we are able to make several dozen people far more aware of mission work thru these contacts. A note found on the organ during the summer read:

> "We have paid a visit to your lovely church. Have taken the liberty of copying the address of the publishers of your music book "The Organist". My wife is the organist of our church in Langford, near Victoria, B.C.; "Gordon United". Thank you. signed,
>
> J.C. Nimmo ---- Victoria, B.C. "

We have made several fine contacts with Christian business men who have been very active in "Presbyterian Men", and hope to develop more enthusiasm here for it.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Union Bible School (Presbyterian and Episcopal)

Enrollment		Total Attendance	Ave. Daily Att.
Kindergarten	21	170	19
Primary	33	252	28
Juniors	35	275	30
Junior High	15	126	14
Teachers	11	80	9
	115	903	90+

Attendance was smaller than last year due to the fact that we had many children away for the summer, and also because we had to meet over the 4th of July when interest was at its height for swimming, firecrackers, and floats.

The team of 3 girls were up to standard as far as enthusiasm was concerned, but they were too young: we had two of them who had just finished their freshman year. I am certain that this had its part in the increased discipline problem we had this year. I would strongly recommend that we do not accept any Bible school worker lower than a Junior in college.

Wrangell had an unusal dry spell with about 5 weeks of sunshine and no rain. This took many of those who were here away from Wrangell on weekends, and thus affected church attendance. We took advantage of this to get the church painted. For several years we have tried to get volunteer help on this----to no avail. I also got some work done inside----floor varnished, and holes in the kitchen patched up We hope to get volunteer labor this fall to insulate the interior, and to do some interior decorating.

The outside of the church received 2 complete coats on the sides which had weathered badly (2 sides) and a good heavy coat on the remaining two.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Mrs. Schwab and I spent about 10 days at Rainbow Glacier Camp where we assisted with the Conference Program. This was a privilege as well as a joy, so work with so many enthusiastic young people. We took 5 delegates from the Wrangell church, who came back full of enthusiasm, which we hope will become contagious in our young peoples work. Incidentally, the young people raised and used their own money to pay their conference expenses, which is in itself significant in showing their enthusiasm.

Our summers here are usually discouraging, in that adults cannot be found to help with the work of the Sunday School, and even in church attendance itself. We are glad to report that attendance was much better this summer, with no service below the 35 mark. This in itself is an achievement, according to some of the old-timers. Our work for the fall has picked up already----for which we are glad. In 1957 it was October before we could detect any sighs of this.

The summer has brought many changes. Although our membership shows 139 members, at least 50 of these are non-resident of Wrangell, many of them having moved away because of tight labor conditions. The lumber mill closed down in May, and did not open until after Labor Day. Fishing has been poor to mediochre, with many of the gilnetters and trollers still working hard.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of September started out our fall program much better than the year before. This was due to an increased interest on the part of our people. For the first time since my coming we were able to obtain enough S.S. teachers, and a SS. Supt. Our Sunday School had lagged due to not enough teacher interest on the part of the parents. Enrolment is up in the 80's.

I should mention also the fact that we did not take a vacation this year----primarily because we felt that the work would suffer while we were away. The interest and attendance figures also bear out this fact.

Our school situation this fall is greatly improved. We have a new Superintendent----and while he does not attend church he seems very sympathetic to the church, and has done an excellent job in straightening out the teaching situation, and the students. We are happy to have 4 new teachers and their families attending church regularly.

I was away at Presbytery at Craig Sept 9 to 15, returning home via plane in order to be here for the Sunday services.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The church congregation joined other Christians around the world in observing World Communion. I note that at any communion service that our attendance is less-----usually because some who feel that they cannot participate in communion just do not attend that day.

The high point in the month was of course our Spiritual Emphasis week, with the Rev. Dr. J.Luman Bush of Kenmore, N.Y. as our special leader. Dr. Bush did an excellent job in leading the services, and many who came to hear him remarked that they were araid to miss a single service because they knew that they would be missing something special. As a direct result several made commitments to enter the fellowship of the church the first Sunday in December.

Dr. Bush spoke at the ministerial fellowship meeting, and also at our high school assembly. The young people were very receptive and enthusiastic, and the superintendent remarked that what he had said was "just what they needed!"

We planned a family fellowship dinner on Friday night, in Dr. Bush's honor, and a closing Communion service the morning of the 26th.

I have finally been able to start a High School Sunday School class, which meets at the manse during the Sunday School hour. It has proved of interest to about 10 of our Young People, and while they have been helping in the Choirs just never were able to get together Sunday nights because of conflicting interests. We also have a Jr. High fellowship that meets Sunday nights, taking in some of the younger HS students, and by next year they will undoubtedly remain as a Senior high evening group.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Services for the Month of November were well attended, and the interest in the church is excellent. We have been working and praying for the reception of a number of new members, and this will be reported in December.

One also has to report that many of our members take advantage of Sunday to go out hunting. Expenses are high, and with hunters allowed 4 deer each, many of the men have been out each weekpend for 7 or 8 weeks.

We were very happy to have Dr. Archibald Stewart visit us during the month. Unfortunately he was delayed by some of our customary fall weather, and did not arrive on time; then could not leave as per his plans. However he did make his Seattle flight from Annette by a matter of a few minutes; and has learned how dependent we are upon planes fof regular transportation and mail. Because he was late we could not have him meet some of the groups we had planned, but I am sure he learned something of our work.

Union thanksgiving services were held this year in the Episcopal church, at which I was asked to bring the Thanksgiving message.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Activities for December are always very heavy. However, in addition there has been an increased interest in the work of the church. At long last (after 2 years of trying) I have a Sunday School Superintendent; and she is very much interested in correlating the work of the departments.

Loyalty

Our annual Congregational Dinner, held the 2nd Sun. of Dec. is our loyalty dinner in which the budget was adopted. There was a great deal of interest shown in what the church is doing, and what the response of the members should be.

Our Annual meeting, held this month (Jan 1959) showed this same interest, and we had about 55 members present out of a possible 70 who were in town. Several in the congregation remarked that they could remember back several years where the annual meeting had about a dozen in attendance.

We have put on a drive for building repair funds. The Congregation voted to stress this the night of our Choir Concert, and our offerring that night totalled $262. for this. There will be more given later---according to promises given.

Several have remarked of the increased interest on the part of several families who are still not members of the church, but who attend regularly.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report. -

December 1957 saw an all time record for the amount of snow to fall in one month in Yakutat, 96 inches. January it all melted away. It was an unusually mild month with lots of cloudy skies and mixed rain and snow. For February the groundhog got an exceptionally good look at his shadow.

During January we were able to get the Junior--Junior hi boys started with a Bible Club again. They are running it themselves by their own elected officers and are really going forth full of enthusiasm. This past Saturday I went with them on an all day hike and we really had a big time.

Our annual congregational meeting was held the first Sunday night in January. We omitted the regular evening worship and began the evening with a pot luck supper. This was followed by a short Hymn sing and the meeting. The attendance was good in spite of an extreme wind and rain storm.

Interest has again picked up in our midweek services. We are meeting in different homes each week. This brings out extra friends and neighbors of the family we are meeting with, it is a good impetus to a real good house cleaning as they prepare for our coming, and it is considered to be an honor to the family to be hosts to a meeting of the church. Some old church hymnals have been dug outand my the people enjoy singing some ofthose old hymns and Gospel songs.

The last Sunday night of the month we had a union service with the Church of God of Prophesy. It is the first time we had had one with their present pastor who is also their Alaska overseer. Although he has been most friendly and cooperative he has always hesitated at sug estions of a union service. Several days after this service he came to me full of enthusiasm and asked if we could plan to make these union services a regular monthly affair. Of course I agreed. These folks have just purchased the old Salvation Army Hall here in town so they are becoming more established even though they are not growing in numbers.

We've had several illnesses among the people of the church during the month.and have expended quite a bit of energy taking care of extra children, washing clothes, etc. to help the folks out.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of February seemed unusually quiet here with only the routine activities going on. I did have a wedding--a double one. It was also my first church wedding. It was a simple but beautiful service.

I helped a few hours a couple different times to do the electric wiring for a man who is building himself a new house. I'm not accepting any pay for it because the man has no money to pay with.

The Asian flu hit out town with a severe epidemic last week. One old lady died of it and probably 60 to 70 % of the people were sick in bed at once. I was among them and very sick as were most others and stayed down in bed most all week. Joan had it the week before. School was closed all last week and everything stopped. The children seem to have had it the hardest and longest.

Colorado Gas and Oil Company are now quitting on their second test hole. They are closing down and leaving only a bare skeleton crew to do work building a road to their third proposed test drill site. It sounds as though it may be a long while until they will be ready to start drilling operations again.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Because of the flu epidemic at the beginning of the month of March we had only an evening service on the first Sunday of the month.

The women's group held a bake sale during the month to raise money for sending Presbyterial delegates. There was a good response to this and $70. was taken in.

I took our junior boys Bible Club on a hike again one Saturday this month. We made it a full day's outing and we all really had a good time. We walked the beach out to the Situk River fishing camp grounds and back again and found a big dead whale, a dead sea lion, a wood Japanese bucket, some pieces of Japanese bamboo, and lots of the big glass Japanese fishing floats all scattered on the beach.

We had a church picnic for adults too this month. It was held on a week day afternoon and thus we purposely eliminated the children for once and could center our attenion on having a good time with the adults. ~~for once.~~ We had several cars and went out to the Ocean beach. Many of the older people have no cars and thus they really appreciated being able to get out there for an outing. We have had such wonderful weather during the whole month of March so that ~~we had~~ it was picnic weather practically all the time.

I had one wedding again this past month. It was held in the church with a reception following. I appreciated so much having the opportunity to have this contact with the couple as they had held themselves quite distant before. I heard that the wine ~~followed~~ flowed very freely after the church ceremony and reception in several home parties, however. Neither of the two have been around the church again since.

As we did last year we had a Sunday School program as part of the morning worship in church on Palm Sunday. There was a very good response to this again. Formerly it had been a custom to have this on Easter Sunday morning but it made that service so long and cluttered. This present arrangement works out much better and everyone was happy with it.

This past Sunday night we were plesantly supprised when we came home from church. We had a movie in church and since one of our girls hadn't been feeling good we had asked one of the older native women to baby sit for us. We told her that after church we would show the film at home here for her. Well upon coming home we found her husband here with her. He is a white man who has been inside the door of the church only once (for a funeral) during all our stay here. He had come to see the movie too and afterwards we had a good free talk on the things of the spirit. We were glad to realize that through the many informal contacts through these past years we had gained his confidence enough so that he felt free to come in to our home in this way to see a Christian movie. His wife is a faithful member of the church.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During April we had no services on Sunday the 20th when we were attending the Presbytery meeting in Petersburg. We had no services on the 13th either as the plane scedule called for us to leave on the morning of that day but we had Sunday school on the Saturday afternoon before and a worship service in the evening.

On Good Friday we had our Communion service with 14 taking communion. On Easter morning a good number of people from the airfield were out for the service in town here. This is the first time this has happened. We had no choir as in previous years--no one to direct it. The Junior girls Bible Club sang, dressed in their white capes, and several others brought special music in the morning and evening. In the evening we had a film "Higher Pardon" as part of the worship along with other special things. The pastor and people of the Church of God of Prophesy all came to join us for the evening service. They said they had nothing special planned and knew that we did so they came to join us for it.

The Sunday School at the airfield continues although I havn't gotten the attendance figures recently. They will close for the summer again in a couple weeks.

Much to our surprise church attendance has increased noticably the last two Sundays since we announced we were leaving. I don't know what it means, good riddance, curiosity, or an indication of devotion and dupport.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During the past month we have been rounding off the years' activities in our Bible Clubs. We have had a parents' night for the junior girls which was well attended and a picnic with each group. Due to several scedule conflicts during this first week of June we won't have any meetings. During the second week we and the children will be busy with Vacation Bible School, and after that they will be moving out to their fishing camps. Because of this cramped scedule we will have only one week of Bible School this year. It will again be a union school with the church of God. Three of our junior hi girls have gone to Rainbow Glacier Camp this year. This is the best response we have ever gotten toward camp.

I have gotten a little more work done on the foundation of the church again. It seems as though I have to do all myself that gets done. It is hard dirty work because the church is built so close to the ground and I guess that is part of the reason others aren't anxious to help.

We had a union service again Sunday evening, May 18. I had arranged to have a film for that night and this combined with the union service was the reason for the big attendance.

The last week of the month we were at anchorage attending the leadership school and that is the reason we did not have most of the regular services and activities.

The month of June, our last month at Yakutat was rich and full one. At the same time it was a difficult one because it meant leaving all our friends there. Even though the work was most difficult and discouraging one certainly becomes endeared to those people. They held a farewell service of worship in our honor on Saturday night, june 28. James Thomas and David Henry led the service and several different ones gave talks. It made us so happy that they chose to honor us in this way. Not in a big party or dinner but in a service of wor Christian worship. After the service we were presented with many lovely gifts and refreshments were served. About 40 attended.

These two, James Thomas and David Henry, with the support and help of the officers plan to carry on Sunday School and Sunday Morning services until September when they go to school and work or till a missionary is appointed if that should be sooner. The minister of the Church of God of Prophesy will be leaving on August 1 too so the town will be entirely without a pastor.

We took a two day boat trip way up inside Yakutat Bay and Russel Fiord before leaving and that is certainly a beautiful wonderland. The glaciers with their tremendous activity of pouring forth ice, the waterfalls, and the mountains beat anything I have seen anywhere else.

Our Vacation Bible School was held this month. It was only 5 days long this year but was the biggest success we have had in all four years. 56 were enrolled and 34 had perfect attendance. We had sufficient teachers and helpers this time and all were very prompt and faithful in coming. For the closing program we had a union service and that was the Sunday night 74 attended.

We did not try to have any Bible Clubs this month since the children were out of school and too active in V.B.S. and leaving for the fishing grounds. The P.W.O. (women's group) did have a bake sale which was a big success.. The first Sunday of the month we had no morning service as were were on our way home from the Anchorage Leadership school that morning.

Fishing started out extremely poorly the first week. The take from the Situk River, the main stream for Yakutat, was just a little over 5000 during the first whole week. Last year 10,000 were caught on the opening day alone.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

On July 2 we left Yakutat for our furlough. It was hard to leave and say good-bye to our many friends there. July 3 we visited First Presbyterian Church at Bremerton, Washington, one of our supporting churches, and spoke showed slides of our work at Yakutat to a group of young couples. We enjoyed that visit very much. Then we traveled east by train stopping in Iowa a few days with my family and then on to Naperville, Illinion, here with Joan's family.

Joan's home church here is the Lisle Bible Church. The people have kept close contact with us always and given much support to our work at Yakutat through prayer and gifts to special projects. We have thus made it our church home while here. I spoke on Sunday morning the 20th, Joan spoke to the young women's circle the 22nd, and we showed slides and spoke Sunday night August 3.

The week of July 29- August 2 we spent at Winona Lake Bible Conference in Indiana and this was certainly a week of spiritual uplift and renewal. Dr. Alan Redpath of Moody Memorial Church was the leading speaker and we received much help from him. Other helpful speakers were Dr. Henrietta Mears; Dr. Clyde Narramore, a psychologist; Mrs. Ethel Barrett; and Dr. warren Filkin.

August 14 we plan to leave here for my home at Kamrar, Iowa, again. We will do quite a bit of visiting and some speaking along the way between arriving home August 18.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During this past month I have had the following speaking engagements in which I presented our work in Yakutat.

			attendance
aug 3.	P.M	Lisle Bible Church, Lisle Illinois	60
aug 15.	P.M.	Linn Grove Presby. Ch., Mt. Vernon, Iowa	40
aug 17.	A.M.	Colfax Center Presby. Ch., Holland, Iowa	275
aug 17.	P.M.	" " " " "	175
aug 31	P.M.	Hansel Methodist Church, Hansell, Iowa	95

We have been traveling around some this past month visiting relatives and friends. We are now staying with my parents here at Hamrar, Iowa.

Joan was in the hospital for two days for minor surgery. Her recovery was slow because we overded ourselves in traveling around too soon but she seems pretty well now again.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided up into the following sections:

Christmas Season: Most of the month was spent either preparing for or recuperating from the Christmas activities. The spirit seemed to be much better than in past years. There was very little celebrating in the form of spirited parties and though the Christmas events were not completely packed, there is always room for improvement in quality and quantity, the spirit was very good. Both the Christmas Eve and New Years Eve services were held, again with limited attendance but with very good spirit.

Scouts: Lack of leadership has completely eliminated the scouting program. The American Legion is planning to start a troop and we will probably let the present troop go. Though there was a troop committee partially functioning there was a definite lack of leadership on the part of the scoutmaster and his assistant. As they scheduled the meeting at a conflicting time with Chapel activities we could not help out so were unable to do much about it. Facilities likewise were almost impossible as the basement just couldn't contain the activities and rain forced them to spend most of the time inside.

New Building: There has been a step-up in the planning for the new Christian Education building. U & I & VV has begun to grow again, with the possibility of construction, and outright gifts to the fund have come both from the community and from others outside of the community. At the time of the congregational meeting the new U & I & VV steering committee will be formed and we hope for a heavy emphasis at that time.

Sincerely in His service,

Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided into the following sections:

CHAPEL PROGRESS: No progress was made on the Chapel this month (with the exception of replacing some tar paper). As soon as a photograph is taken of the interior, and after the work crew rests up and finishes some home projects (so the wives don't get angry) we'll begin the final sanding of the interior of the Chapel. The necessary number of shakes to complete the Chapel has been ordere

MANSE PROGRESS: The total work hours on the reverse side indicate the car port work. The car-port is up and being used. The roof has the final tar-paper shingles. Some work needs to be don to finish it but it is felt wise to wait until warmer weather for painting etc. an' finishing of the exterior. The work parties have been very good and good fellowship as well as progress has been seen. Warm weather also allowed us to finish tiling a ditch that drains from the hous to the entrance road, move side logs to their position for steps, burn the accumulation of trash, haul away the last of the 'reject shakes'. Dick Stussi spent a day working with me on the 'place'.

ANNUAL MEETING: The annual meeting of the congregation was the best attended yet. (a stiff race for session helped spur interest.) We feel that the vision of the people has been shown in the increase above expectation of the Chapel share of pastor's salary, in setting a side funds for travel for layman attendance at leadership schools, in increased benevolence giving, in an open-end budget (extending to almost twice the pledged amount, "Just to make sure we cover everything". The spirit is high for a new building but more of that in U&I&VV.

U&I&VV: The dollar a month club is set up and ready to begin February 2nd. Already we have 26 members and there is great enthusiasm. I'm enclosing samples of literature and would be glad to send more if those reading the report wish to join with us. Feeling runs high that we 'get on' with the building now. Preliminary plans are in New York and we wait word concerning 'anything'. Exclusive of the club, which it is hoped will take all of the financial responsibility of the new building, we have over $900 in savings to be applied to the building.

CHURCH LIBRARY: We are now set up for the church library. Using the pastor's books on a temporary loan basis and using other books that the Chapel has we now have almost 200 books classified according to the Dewey Decimal system and listed on accession lists. They will be available as soon as book shelves are completed. The librarian has taken hold spleddidly and has shown a renewed interest in the Church. (She is alone as far as age group is concerned) We hope to have it in operation by the middle of next month.

We feel that the Chapel is growing. More people are buying their own Bible Study books and there seems to be a new interest. (How often do I say this?)We continue to serve with the joy of seeing what Christ can do with dedicated people.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading thisreport will be divided up into sections covering:

CHAPEL PROGRESS: It was planned to have one week of concentrated work on the Chapel and this week wasdedided upon as the last of the month. In the period of one week scaffolding was put up, heavy sanding on the remaining logs was done and three coats of floor hardener was applied as well as the varnishing of the box-car siding roof, the scaffolding was removed and the Chapel was ready for worship. The response was the best we've had yet for volunteer work and that completes the log work. Floor tiling and shaking of half of the roof remain. Tiling is expected to be complete next month and the shakes are due in Juneau this next week. With the possibility of early dedication the hope is to finish the Chapelas soon aspossible. One day during the week Dick Stussi, waiting orders from New York, worked on the sanding.

BABY SITTING CLASSES: The Chapeladies have sponsored Baby Sitting Classes for the young people of the community that have been very popular. Everything conceivable has been covered as well as talks of interest by the Highway Patrol, local firemen, nurses and mothers. It is our hope to have more of community help given such as this.

EVENINGVSERVICE: We attempted to have an evening service during the month. As has always been the case it was anything but a howling success. There seems to be no way to show the congregation movies of special interest or to have special speakers except with the use of Pot-Luck suppers and they have been poorly attended by many people because of crowded conditions. There has been talk from some people of using the Chapel as a social halluntil a new building is constructed but with large pews it does not lend itself readily to use.

YAP: The Westminster Fellowship, as a commission project, has begun the publication (if that is what it can be called) of the YAP (Youth of Alaska Presbytery) with the hope that a strong fellowship can be established among the scattered youth of the Presbytery. We hope for monthly publication and hope to have 'everything' in the paper, though it might end up being 'anything.' At the same time it gives the young people an opportunity to write, stories as well as devotional talks, and make format on newspapers as well as use of the mimeograph.

MISCL: The Boy Scout program is beginning again with new and inspired leadership. The hope is to have a strong troop at least by next fall. U&I&VV, the Club for the new building, now has over a hundred members and is consistently growing. Lunch Pail fellowship is also growing to a fairly large group that has a very good fellowship together.

We wish we could send some of our wonderful weather back to you at New York. With possibly a couple more winters like this last it might be feasible to move the headquarters of the Board of National Missions to Juneau or Auke Bay.

Sincerely,

Ken Smith

Rev. Kenneth W. Smith

Chapel-by-the-Lake

Auke Bay, Alaska

U & I & VV Club

Christian Education Building Fund

Dear Friends:

At the annual meeting of our Church, a committee consisting of representatives of the various church boards was appointed as the steering committee to handle memberships in the Christian Education building fund. The name of this building fund club is the U&I&VV proposed by the Westminister Fellowship group, and adopted by the congregation at the annual meeting.

It is hardly necessary to tell most of you that our Chapel, The Community Presbyterian Church of Auke Bay, is growing so rapidly under the inspiration and guidance of the Holy Spirit, that a Church Hall combined with Sunday School rooms is absolutely necessary. Our present Sunday School uses the Manse living room, basement and laundry room and the two rooms of the Chapel, and finds this space entirely inadequate for the rapidly growing number of children. Chapel adult activities are also restricted by the lack of room.

In spite of the urgency of the situation it is not the intention at this time to have a drive for funds for the new Christian Education Wing, but there are so many people desirious of giving a small donation regularly, that we have decided to form a dollar-a-month club called the U&I&VV, meaning U and I in a Venture with Vision. Application cards and a tentative floor plan are enclosed with this letter.

It is hoped to have 500 people joining together with us in this venture, people who give regularly a dollar-a-month and remember the building in prayer.

Thank you for your support. A card to the Chapel will bring quick action should you wish to see us for additional membership cards, to give friendly suggestions, or even any constructive criticism.

In His service,

U&I&VV Steering Committee

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided up into the following sections:

CHAPEL PROGRESS: Chapel progress has been shown in several ways. Much cleaning has been done around the outside of the Chapel with the coming of spring. One week was devoted to tiling the floor of the Chapel, restibule and the rest room and the tiling is now complete. Then the bathroom fixtures were installed and the water finally connected from the house to the Chapelso that we now have running water in the Chapel. The shakes for the back side of the Chapel roof have arrived and will be put on when time permits. Both the tiling andthe interior log sanding were done with special emphasis work parties and they have been very successful. With the exception of the shaking of the back of the roof the only Chapel jobs that are left are the condrete entry way, which has to wait until we have definite word on what will happen to the sewer, and landscaping.

CHAPELADIES BABY SITTING CLASSES: THE baby sitting classes were a definite success. The attendance was consistent and many of the girls expressed appreciation for the training. Especially in communicationless territory it is important to have the baby sitters know what to do during times of emmergency.

CHOIRS: With the departure of the Dobyns family the choir program of the Chapel will be curtailed. The Junior and Youth choirs will stop for the rest of this year, probably to begin with the fallterm of school. Senior Choir needs a readjustment and will probably get it in the next few months.

Sincerely,

Ken Smith

Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading, this report, Brian, will be divided up into the following sections:

MAUNDY THURSDAY COMMUNIONA: A very impressive Maundy Thursday evening communion service was held this year with the former pastor of the Chapel, Rev. Randolph McCluggage, presiding. Slowly but surely thoough special sprvices the Chapel is reaching out into the congregational area of the community. It is still our hope, someday, to have a midweek worship service which will be well attended. This Easter was our first attempt at having double services in the Chapel. Until there is some place to hold three separate Sunday School classes the idea of double services is pretty well out of the picture. Several times pre-easter attendance showed that with a good lay-visitation program, double services would (will) be needed.

U&I&VV: We continue to work toward a new building. Savings toward the building add about $130 a month and as the club grows the increase is larger. We are still in the unofficial discussion stage as to the type of building to construct. There is some feeling that regardless of what the second story will be the basement will be concrete and therefore we can actively look for an early construction date.

HOSPITAL: After ~~many~~ 2½ years of visiting the hospital but occasionally, suddenly Auke Bay has attempted to populate the place. The last week of visitation consists only of hospital calling and fortunately ~~there~~ are only two left in the hospital. There is a question in my mind as to whether these are 'pastoral' calls or should be under some other category.

SCOUTS: The scouting program is again moving but very slowly. Leadership is a continual problem and the minister has to take a personally active part as a leader. The former problem of the scoutmaster attending the meeting with liquor on his breath is again with us and at times one feels that it would be better to throw in the sponge. The dedicated leaders of the Chapel are already busy in many other organizations so the problems remain.

PRESBYTERY: Again Presbytery has made a mark on the Church. Those attending were very impressed with the various leaders, Moderatory on down, and there is agitation for a prayer-cell meetin g to be held once a week. We feel the need but so far the layman sparking the movement is running into some opposition, mainly because of the ~~valuen~~ ignorance of value derived from such a group. We still have much roomfor spiritual growth, congregationwise and pastor-wise.

HAINES CHOIR VISIT: The last Sunday of the month the Haines choir presented the Oratorio, "The Holy City" during the morning worship hour. Their presentation was excellent and gave us a mark to shoot at with our own choir. Several of the congregation have asked, "Why can't we have a choir like that" and they are answering their own questions ~~bu~~ by more adult attendance at choir practice.

TOURISTS: The tourists are again almost upon.us. There is still a need for a Territory-wide leaflet concerning the work of the Presbyterian church to be distributed along with the Chapel folder.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided into the following sections:

SUMMER: Things are changing into the summer schedule. Attendance at church and Sunday School have taken a dip due to wonderful Sunday weather. Whoever plans theweather likes sunshine on Sunday and the call of the trolling pole has affected attendance at morning worship. Also a whale washed up on the beach (naturally on Sunday). There is progress in that there are more and more who are consistently attending church.

DOBYNS: The Dobyns family has finally left the community. Though due to leave a year ago they kept putting off the final decision to the last possible moment. During our ministry here at the Chapel they have been one of the most instrumental factors in the growth of the family, of the Chapel. Kathleen has worked with the three choirs, and we now miss her in that department. Don has served as Elder and has helped in many of the other activities of the Chapel. Each of the children has taken a leading part in the various groups of their own age. We're looking forward to having an opportunity to recommend the family to another church and commend them in writing for their life and inspiration here at the Chapel.

CHAPELADIES: As another first for the community the Chapeladies sponsored a May Fellowship Day. Though the attendance was not excellent the fellowship was very good and all those attending, from seven of the Juneau area churches, were emphatic in their desire for another similar day next year. The Chapeladies also held a silver tea for Operation George, the building program at Rainbow Glacier Camp.

SCOUTS: The scout program is picking up speed. It was decided to continue the program through the summer and the desire is there, on the paft of the boys and some of the leadership, to extend the period to two hours, though there is no scheduled time for it. Leadership is still our main problem.

CAMPS: The interest in the various camping sessions at Rainbow Glacier has been good. There were six young people signed up for the Senior Hi camp session that was canceled. Five attended the Junior Hi section and five attended the Jr. Camp sessions. We are thankful that the Chapel people have felt the need of this experience to the extent of making half-tuition scholarships available to the young people.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided up into the following subjects:

VACATION BIBLE SCHOOL: Vacation Bible School was again a success. We made several changes over previous years. For one thing the school was earlier and that caused a little difficulty. The loyal opposition here in Auke Bay scheduled their school at the same time as ours and then proceeded to sign up some of our young people causing not a little hard feelings. We held a two hour school instead of the normal three hour school for several reasons. It was felt that 3 hours a day for two weeks, immediately after the other regular school sessions had ended was too much. Also we decided against having a snack which saved much time and space (and mess) Because of our limited space we also had the Junior Hi section meet in the afternoon. That way theyw ere separate from the rest of the school, they had plenty of room in which to work and they had the benefit of both of the visiting vacation bible school teachers. The school did include several non-church people, three of whom are attending Sunday School now and also brought in a Morman girl who has begun attending Sunday School. As usual the ppogram showed the need for facilities as the Chapel was packed with people standing in the vestibule.

STRATEGY: There has been some thinking for the future. With statehood now a definite thing the feeling in many of the congregation is that we need a new push for more comprehensive programming. (I think so too!!!!!) There is a development of 25 new homes on the edge of the community and we feel concerned. As usual, space for activities is the main drawback and lay leadership, though coming, is still not a great strong point. At present the Westminster Fellowship group is overly active, which is good as they have a well rounded program, but there is still a definite need for a young couples club and a men's group.

Sincerely in His service,

Ken Smith

Rev. Kenneth W. Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading thisreport will be divided up into the following sections:

CHAPEL PROGRESS: The last of the interior work of the Chapel has been completed. The VBS team that returned to do a week of work completed the painting of the bathroom and the last of the upper box-car siding. There could be a few touches of painting here and there but we might declare the interior finished. The scaffolding has been erected for the shaking of the back of the Chapel roof but naturally the weather had to stop the laying of the shakes.

MANSE REPAIR: The septic system has been redone. The affluent field is layed and when the ground dries out enough to allow the cat to return the top-soil will be shoved back in place. The Project accounting forms will be returned as soon as all bills are in. The parking area at the top of the hill has also been enlarged (making more area to shovel when it shows). Two different work teams, that I neglected to put on the statistical side but which should read 28 people for total of 104 hours, worked painting the car-port, putting on shingles on end of car-port, clearing land where new building will be placed, scraping manse oil tank previous to painting, redoing the Chapel sign.

KNOW YOUR NEIGHBOR ALASKA: The new leaflet is a welcome peice of literature. Our supply lasted a little over one week but was very welcome by the tourists. We enjoyed the leaflet even though the cover picture was a little old and one visitor asked, "Where's the Bridge"? In the near future we hope to take some black and white pictures which we'll be glad to turn in to the board. It might be wise to have all churches do so as we noticed in the United Presbyterian a picture of Memorial that didn't show the fine job they do of keeping the grounds. The leaflet, though, is very good and if we could have more, completely fits the bill.

10/17 200 Copies sent (A)

WESTMINSTER FELLOWSHIP: Again the WF group is sending letters to the tourists as one of their projects. We also started, at least for the summer, a study program using some of the youth material of the church of Scotland. For the most part the discussions are on the 10 commandments. There is a desire to continue the program during the winter but heavy school schedules may make it impossible.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For the major part of this month the pastor and his family spent three weeks on vacation in Sitka. It was a complete break and the resting, reading, fishing and hunting were well enjoyed. It did show several things though.
The Westminster Fellowship group, though with no appointed sponsor, did meet with several of the Chapel people and their activities continued through the month. There were also social activities that are not listed on the statistical side but no one kept figures so the figures aren't known.

The Board of Trustees met and carried through their business, again without the pastor. Though the pastor has attended all the past meetings this shows that they can carry on the working of the church finances independentally.

Chapeladies meet for their regular once a month meeting. Again the meeting was very good, so we hear, and there was no need for either the pastor, his wife or the President of the group, who was also on vacation, to be present.

The actual services were conducted by the elders but with a visiting preacher. The choir met and performed, though we have no appointed director, and on a whole the services went very well.

Our programing weaknesses were also shown and as we begin the fall workload we hope to get more trained laymen into the various positions of leadership.

Sincerely in His service,

Ken Smith

VOUCHER to Board of National Missions:

October 1 19 58
(Date Submitted—Usually 1st of Month)

This certifies that I am actively engaged in National Missions work and that I expect to continue throughout the current month. (I expect to discontinue my services as of xxxxx

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided into the following sections:

CHAPEL PROGRESS: The only progress this month is in the shaking of the back side of the roof of the Chapel. There are now six and a half rows of shakes on and if the weather would ever give us a break we would be able to finish them. The volunteer part of the work has been very poor, but especially because each Saturday is wet. We hope to finish up the shaking this next month. It is a race to see whether the shakes can beat the snow that is coming lower and lower on the mountains.

SUNDAY SCHOOL: Though the actual numbers of Sunday School students has not grown appreciably we are making another division in one of the classes. That will put the 5th and 6th graders together in the Chapel, along with 4th graders and 7th & 8th graders and that in turn puts the High School class in the livingroom of the Chapel and the adult class in the diningroom. We're striving to get new teachers and give our old faithfuls a year of furlough. We could still use a new building but seems we've harped on that subject before.

WF GROUPS: The Westminster Fellowship groups are going again. The Sr. Hi group never stopped but the Jr. Hi group has been activated. Starting small it has built up to about 10 members and will probably be that size for the rest of the winter. The meeting time was moved up to 3 on Sunday afternoons, with the Sr. Hi group at 7. We've run into a little parent opposition on the part of the Jr. Hi's in that some of the parents feel that the young people ought to be picked up as well as taken home. Our answer was that on that basis we'd have no Jr. Hi WF. We still feel that the parents are responsible for the group, even though they will not admit it. Though the group is 90% girls we hope to squeeze in some boys. We are very lacking in Jr. Hi boys.

CHURCH ATTENDANCE - MEMBERSHIP: We are still struggling with the problem of people whowant to attend the morning worship services but who do not want to join in with the program and financial participation of the fellowship. There are several couples who are interested in membership but NOT YET. It is our hope and prayer that soon we can be 'allone body' worshipping and serving Christ.

MISCL. - TIDBITS ETC: We've begun our monthly family nights, which will be regular this year. Whether because of small group or what we don't know, but the first one was excellent for fellowship. . . . The women have started a small prayer cell group which meets in one of the homes. We're not 'bulletinizing' it yet but already have noticed changes because of the 'effectual fervant prayer of a few'. . . . . U&I&VV fund for the new building continues to grow. With 138 members and (including other gifts etc.) $2400 drawing interest we still hope to have something CONCRETE next spring or summer.

Sincerely in His service,

Ken Smith

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading this report will be divided into the following sections:

CHAPEL PROGRESS: The entire sides, back and front, of the Chapel are shaked. The scaffolding is down and all that remains to complete is the ridge roll along the peak of the bldg. There is still some miscl. corking and another coat of wood preservative should be added to the exterior but that will probably be done in spare moments, of which we have so many. Though there was a little volunteer help with the back side of the roof the volunteer help was less than discouraging. Bad Saturday weather and otherfactors had they part, however.

ACTIVITIES: The mid-week prayer group has held in numbers and also in effect upon the life of the Chapel. The couples club has started with a very small number but that seems to be the way that all permanent activities start at the Chapel. There is still some question as to the age levels but it will be worked out in time. Scouts is slightly wobbly and as the troop hasmoved its activities to the community building until the cold weather sets in and has scheduled the meetings for a time when there is another Chapel activity there is no way of the minister helping with it at the present time.

MISSIONARY ACTIVITIES: The Sandilands spoke and were excellent. Their particular evening was very poorly attended for several reasons and many were sorry that they'd not heard them.

MISCL ITEMS: Part of the Sr. Hi WF is cliqueing with a tendency to disturb the entire group. It presents some problems that we hope will be ironed out soon, but at present it is keeping the group from growing. In the main it is an attempt to take the fellowship of the group and start a social group outside the church. U&I&VV membership is 144 with over $2700 in bank. There is some guarded enthusiasm concerning the possibility of securing the loan, grant or whatever from the Board for building this next year. The budget meeting of the Trustees & Session has been held increasing by $1100 the church budget but also with an eye to extra pledging or financial activity concerning the new building. The week of special activities will be covered in a separate report.

Sincerely in His service,

Ken Smith

There will be a meeting of the Congregation of the Chapel-by-the-Lake in the Chapel building next Lord's Day following a family pot-luck dinner. The purpose of the meeting is to discuss and take necessary action concerning the Christian Education Building addition. Meeting will convene at 1:15 P.M., Nov. 9, 1958.

Greeting this morning are Mr. & Mrs. Ed Whitesel.

COMMUNITY UNITED PRESBYTERIAN CHURCH

Sunday School - 10 a.m. Morning Worship - 11 a.m.

A CHRISTIAN IS------

A mind through which Christ thinks;

A heart through which Christ loves;

A voice through which Christ speaks;

A hand through which Christ helps.

------ George Muller

To all who mourn and need comfort,
To all who are tired and need rest,
To all who are friendless and want friendship,
To all who are lonely and want companionship,
To all who are homeless and want sheltering love,
To all who pray and to all who do not but aught—
To all who sin and need a Savior—
And to whosoever will, this church opens wide its doors;
and in the name of Jesus our Lord says welcome!

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For ease in reading the narrative will be divided up into the following sections:

CHURCH ATTENDANCE: Mother Nature is doing us dirt as far as Sunday Morning weather is concerned. Much as we hate to admit it weather is still a factor when it comes to church attendance and also Sunday School attendance. We've noticed this particularly this fall as the normal weather as been just a little worse than last year at this time.

SCOUTS: Another rather discouraging situation is the Scout Troop. As usual leadership is the main source of trouble as well as meeting space. In order to have more adequate space the troop moved to the Community Building but as there was a conflicting meeting on the night thatthe troop met we've not had an opportunity to meet and for this past month there have been no meetings. There does not seem to be the need for the troop but there are still a few boys who could possibly be reached if the scouting program were successful. For the most part school activities keep the boys occupied for anyfree time they might have after hunting.

NEW BUILDING: There has been an increase in activity concerning the new Christian Education Building. After meetings with Dr. Jackman, the congregation and Dr. Steward we have secured the necessary information from Pan-abode and are in the process of securing it from Linn Forrest and hope to have the complete estimate of the new building by the middle of December. The area where the new building will be placed has been cleared and with the exception of a little fringe clearing and block hauling the site would be ready for excavation at the present time.

Sincerely in His service,

Kenneth W. Smith
